

Zeigler-Royalton High School

Return to School Plan

In Accordance with Guidance From IDPH and ISBE

2020-2021

In Response to COVID-19 Pandemic

Date: July 21, 2020

Re: Zeigler-Royalton High School Return-to School Plan

Dear Zeigler-Royalton School Community,

Zeigler-Royalton CUSD 188 understands the difficulties and challenges that are presented with the COVID-19 Pandemic. The health and safety of our school community has been and will continue to be the number one priority of our district. There will be challenges in the weeks and months ahead, but the Zeigler-Royalton School District has no doubts that our students and their families will overcome these challenges and persevere.

Due to the mandates and guidance put in place by the Illinois State Board of Education, Zeigler-Royalton CUSD 188 will begin the 2020-2021 School Year on August 10, 2020 via the “Blended A/B Learning Model”. The details regarding the procedures and guidelines that will be in place can be found in this document. Additionally, the details regarding the “Blended A/B Learning Model” and the other potential models are listed below. Listing of students and the days that they are assigned to will be released in the weeks ahead. At this time, we do not know how long we will be on the “Blended A/B Learning Model”, but this approach will allow us to welcome our students back to in-person instruction while evaluating the feasibility of having all of our students back in session while also following the guidance that is in place from the IDPH and ISBE. Families will have the option to opt-in to Full Remote-Learning, but there are guidelines and expectations that will need to be followed. Details regarding that opportunity can also be found in this document.

Please understand that the guidelines and procedures in this document are subject to change at any time based on updated or adjusted guidelines that are released from the Illinois State Board of Education and/or Illinois Department of Public Health.

I would like to take this opportunity to say **THANK YOU** to the Zeigler-Royalton School District communities for their patience and understanding over the past five months. I know that these times have been difficult and very unfamiliar, but the support of the community has helped ease the burden of this process. We look forward to seeing our students back at Zeigler-Royalton High School in the coming weeks!

Sincerely,

Matt Morgan

Zeigler-Royalton High School Principal

I. GENERAL GUIDANCE

A. Social Distancing

1. Per ISBE Guidelines, Zeigler-Royalton CUSD 188 students and staff are encouraged to maintain social distancing (6 feet separation) throughout the school day. Signage reminding staff, visitors and students to maintain social distancing will be placed at all entrances, in classrooms and throughout other common areas. Social distancing applies to all areas including the classroom, common areas and the main office. Student interaction and associating should be reduced to a minimum. Students should remain in their assigned areas for that time period and reduce close person-to-person interaction as much as possible. Social Distancing measures are key for us to continue to provide a safe and healthy learning environment for the entire educational family and community.

B. Gatherings

1. Per ISBE Guidelines, the gathering of 50 or more individuals in one space will not be permitted. The school district will work to ensure that guidelines regarding capacity limits are followed.

C. Health Screenings

1. Per ISBE Guidelines, Zeigler-Royalton High School will conduct temperature and/or self-certification checks on a daily basis before individuals are allowed to enter the building.

D. Face Coverings and PPE

1. Zeigler-Royalton CUSD does understand that social distancing may not be possible for all circumstances. **Per ISBE Guidelines all individuals in school buildings, including all public and nonpublic schools that serve students in prekindergarten through grade 12, must wear face coverings at all times unless they are younger than 2 years of age; have trouble breathing; or are unconscious, incapacitated, or otherwise unable to remove the cover without assistance. Face coverings must be worn at all times in school buildings even when social distancing is maintained.** Face coverings do not need to be worn outside if social distance is maintained.
2. The district will provide disposable facemasks for students if a student does not have one.
3. A student that does not wear a facemask will be in violation of the school guidelines and procedures as set forth and will be subject to disciplinary action.

E. Handwashing/Sanitation

1. Handwashing:

- a) Frequent hand washing and hand sanitizing is key to help prevent the spread of COVID-19. Staff members must clean hands as often as possible with soap and water for at least 20 seconds. If soap and water are not available, an alcohol-based hand sanitizer that contains at least 60% alcohol may be used. Staff should avoid touching their mouth, eyes or nose as much as possible. Staff and students should hand sanitize upon entering the classroom each and every time. Each building will place signage reminding everyone of the need for proper hand hygiene in the appropriate areas. If assisting a student requires close contact, hand washing or sanitizing should be done before and after contact with students.

II. SCHOOL DAY MODEL(S)

- A. The district has worked to develop three (3) different attendance models that might be used during the 2020-2021 school year. Each plan is unique in its own way and each plan allows for easier levels of restrictions and guidance to be achieved. We understand that various models might present challenges for some families, but this decision was done with the best interest of our students safety and health in mind.

1. Attendance Models

- a) **Blended (A/B) Learning Model (8:00 am - 2:00 pm):** All information and procedures in this section will be accompanied by guidance from the IDPH and ISBE. **This is the Learning Model that Zeigler-Royalton CUSD 188 will begin the school year with on August 10, 2020.**

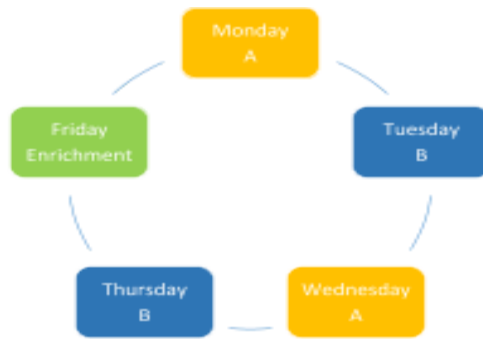

(1) Zeigler-Royalton High School has developed a blended learning model which places student and staff safety as a priority. The intent of the blended model is to allow students in-person while maintaining CDC and IDPH guidelines for social distancing through a reduced number of students in each building. By reducing student numbers, social distancing will have the best opportunity for success. This can reduce the risk of an increase in the spread of COVID-19 to students and adults throughout the community. Face coverings must be worn at all times in school buildings even when social distancing is maintained. Social Distancing of students in the classroom, hallway, cafeteria and common areas would be strongly recommended. Face coverings for all staff would be required as specified by the Return to School Committee. Classrooms will be cleaned and disinfected daily. Emphasis will be placed on high

touch surfaces and common areas. Restrooms, cafeterias and other common areas will be cleaned throughout the day.

- (2) Students will follow an A/B style schedule Monday through Thursday. **Students on the A schedule will attend school in person on Mondays and Wednesdays. Students on the B schedule will attend in person on Tuesdays and Thursdays.** Friday will be a virtual/remote instructional enrichment day for all students with teachers having some PLC's and planning time. Families will be assigned the same schedule for student continuity across schools.

In-Person Learning (Blended Day) - General Education and Inclusion Special Education Schedule

Monday: "A" Day	Tuesday: "B" Day	Wednesday: "A" Day	Thursday: "B" Day	Friday: Remote Enrichment Day
---------------------------	----------------------------	------------------------------	-----------------------------	--

In-Person Learning (Blended Day) - SELF-CONTAINED Special Education Students' Schedule

Monday: 8:00-1:00	Tuesday: 8:00-1:00	Wednesday: 8:00-1:00	Thursday: 8:00-1:00	Friday: 8:00-1:00
-----------------------------	------------------------------	--------------------------------	-------------------------------	-----------------------------

- (3) Students who are attending school in SELF-CONTAINED classrooms will be attending in person Monday through Friday from 8:00 AM - 1:00 PM.

b) **Full In-Person Traditional Learning/Attendance Model (If Applicable at some point this school year) (8:00 am - 3:00 pm):** All information and procedures in this section will be accompanied by guidance from the IDPH and ISBE.

- (1) This option would mirror our traditional learning model while following the guidelines outlined by the Return to School Subcommittee and as directed by the ISBE and IDPH. Face coverings must be worn at all times in school buildings even when social distancing is maintained. Social Distancing of students in the classroom, hallway, cafeteria and common areas would be strongly recommended. Face coverings for all staff would be required as specified by the Return to School Committee. Classrooms will be cleaned and disinfected daily. Emphasis will be placed on high touch surfaces and common areas. Restrooms, cafeterias and other common areas will be cleaned throughout the day.
- (2) Zeigler-Royalton High School will follow the traditional full day bell schedule from 8:00 AM - 3:00 PM
- (3) Transportation schedule and models will continue as normal with the additional guidelines set in place by ISBE and IDPH that are referenced above. For further transportation details, please see the "Transportation" section located under guidance regarding operations.
- (4) Athletics will follow the guidance and procedures provided by the IHSA

c) **Remote Learning Model - District Wide (If Applicable or implemented at some point during this school year):** All information and procedures in this section will be accompanied by guidance from the IDPH and ISBE.

- (1) Full-Remote Learning may be utilized at some point during the school year if the district, with the assistance of ISBE, and IDPH, deems Remote Learning to be the best and safest situation for our students at a particular time.
- (2) The district will implement a Remote Learning Plan that utilizes a wide variety of instructional approaches, including but not limited to the following:
 - (a) Google Classroom

(b) Packet Collection

(c) Interactive Learning

d) *** Full-Time Remote Learning Opt-In Option*******

(1) Beginning on July 22, 2020, parents will be allowed to register students online for the 2020-2021 School Year. During that registration process, parents will indicate whether they will be attending in-person learning or remain home for all virtual learning. **Any family that chooses to enroll in the all virtual Remote Learning option will do so for the entire grading period or nine (9) weeks. Families will be allowed to change to in-person learning at the end of each nine (9) week period only.** In order for a family to enroll in the all virtual learning option, they will need to have an internet capable device for their student(s) to use. If the family does not have a device, one can be checked from the student's home school as per our device distribution plan. The district will work diligently to ensure that ALL families have equitable access to education regardless of device or connection barriers. **After the family completes the school year registration process, the building principal or Student Services Coordinator will contact those families that elected for Full-Time Remote Learning so that a meeting time can be established to discuss guidelines and expectations.**

III. CLASSROOM GUIDELINES AND DETAILS

A. 9th - 12th Grade Details

- Seating should be arranged 6 feet apart and should all be facing the same direction as feasible
- Hand washing should be encouraged throughout the day
- Common/Cafeteria areas and tables should be clearly marked to show where to sit, stand or line-up for 6 foot spacing
- Activities should be scheduled and coordinated by grade level and/or as best fits the required social distancing and IDPH Guidelines to minimize student mixing
- Windows should remain open for increased ventilation as much as possible
- Hand sanitizing should occur whenever anyone enters the classroom

- Staggered transitions times and schedules should be reviewed
- School supplies should not be shared between students or staff
- Coordination between Zeigler-Royalton CUSD #188 Buildings
- Desks will be cleaned after each period. Additionally an in-depth cleaning will occur during the evening hours
- Building staff should review their student arrival and dismissal procedures

B. Grading Procedures

1. Previously, ISBE placed the guidance of “No Harm” as it related to a student’s academic standing during Remote Learning. However, with the new guidance for the 2020-2021 School Year that stipulation is no longer in place. Students will be accountable for the work assigned to them during all learning models (Full In-Person Traditional Learning, Blended A/B Learning, Remote Learning)
2. While the district will be continually monitoring its traditional grading policies and procedures to ensure that there is a fair and equitable educational opportunity for all, it is important to understand that students will be expected to complete work and will be held accountable for their work or lack thereof.
 - a) During the “Blended A/B Learning Model” work that is assigned during a student’s Remote Learning day must be turned in per teacher’s timeline that is in place.

C. Driver’s Education: Behind-the-Wheel Instruction

1. In order to provide behind-the-wheel training to students in driver’s education in compliance with all Secretary of State and IDPH safety requirements, the following procedures must be followed:
2. Only two students and one instructor per vehicle
3. Face coverings must be worn
4. Eating and drink are prohibited in the vehicle
5. Windows must be open whenever possible
6. Do not make any unnecessary stops during the training
7. Complete hand hygiene with soap & water or hand sanitizer, before and after driving
8. Clean and disinfect the steering wheel, door handles, seat belt fastener, controls/dials, keys, etc. in between each behind-the-wheel session
9. Conduct regular routine cleaning and disinfecting of the seats

D. Dual Credit Classes / Alternative Building Classes / Off-Campus Classes / CTE Classes

1. Dual-Credit Classes

- a) Zeigler-Royalton High School will still be offering a variety of dual-credit classes through Rend Lake College. As in the past, those courses will be offered via various formats and facilities. The details regarding those classes are still being worked out, but any decisions or procedures that are in place will follow the guidelines set forth by the IDPH and ISBE. We will always take the students health and well-being as the top priority in planning and preparation.

2. Alternative Building

- a) Classes that were previously attended at the Elementary/Jr. High School will no longer do so at the other building. Instead, the instructor will now come to the high school for the class while our students stay in the confines of our building.

3. Off-Campus/Dual Credit

- a) At this current time, students enrolled in Medical Terminology and CNA will still be allowed to attend class and stay enrolled. We will be providing additional guidance to those students when it becomes available. It is important to remember that all of these guidelines and details are subject to change depending on guidance.

4. CTE Classes

- a) CTE courses at ZRHS will take place with increased safeguards. Tools, equipment, materials, etc. will be heavily sanitized and cleaned between each use and/or class period.
- b) Students will sanitize hands before **AND** after using any tools or equipment during CTE courses
- c) Cleaning/Sanitation products and hand sanitation will be readily available
- d) Each student enrolled in a CTE Course that requires the use of protective eyewear will be given their own eyewear to use for the duration of the year

E. Physical Education Classes

1. Use of locker rooms is prohibited and will not be allowed at this time
2. Students will not be required to change clothes for Physical Education class, but may be required to change shoes if appropriate footwear is not being worn
3. No more than 50 individuals in one space at one time

4. Social-Distancing (6 ft) will be practiced to the fullest extent feasible
5. When feasible and weather permits, activities will take place outdoors. If a class is unable to go outdoors the teacher will work to ensure social-distancing during indoor activities to the best extent possible
6. The use of shared equipment will not be allowed and equipment will be sanitized and cleaned in between classes.
7. Students should also perform hand hygiene after the use of each piece of equipment.

IV. OPERATIONS / MISCELLANEOUS INFORMATION

A. Health Screenings

1. Procedures for Traditional Learning Day & Blended Learning Day
 - a) Students will be required to enter the building via the Main (Office) on the east side of the building. Faculty/Staff members will be conducting temperature and/or self-certification checks prior to students being admitted to the building. Appropriate social-distancing marks will be located on the concrete to ensure that students follow social-distancing guidelines.
 - b) Any student or staff member who begins to exhibit a fever (100.4) associated with COVID-19 like symptoms should report to the designated area, following the building procedure and will remain in the quarantine area until a parent or guardian picks the student up or alternative transportation home is arranged. Staff will remain in the quarantine area until they are able to leave. These individuals should self-monitor and return to school according to the IDPH guidelines. A doctor's note may be required for staff returning to work.
 - c) If the sibling of a student or someone that shares a household with a student is found to be symptomatic or answers yes to any of the questions on the self-certification check then all siblings or same household students will be required to be picked-up that day as well.
2. Individuals who did not have close contact with a person who is sick can return to work/school immediately after disinfection. Those who had contact with someone who tested positive for COVID-19 or is suspected of having COVID-19 infection should isolate at home and monitor for symptoms for 14 days. Close contact means the individual was within 6 feet of the individual with symptoms for more than 15 minutes.

B. Zeigler-Royalton High School Isolation Room

1. Isolation Room for students, faculty, or staff exhibiting symptoms will be in the Zeigler-Royalton High School Weight Room.

C. Food Services

1. Blended (A/B) Learning - Food Service Schedule. **Reminder: This is the Learning Model that Zeigler-Royalton CUSD 188 will begin the school year with on August 10, 2020.**

- a) Lunch will be provided at Zeigler-Royalton High School for students in attendance that day. The district will be adhering to capacity limits and has alternative plans in place to ensure that students can eat in an adequate space. Students **MAY** be required to eat in the classroom setting under the supervision of a staff member.
- b) The information below outlines meal distribution for the Blended (A/B) Learning model.

(1) "A Schedule" Students

- (a) Monday "Take Home" Includes: Breakfast and Lunch for Tuesday.
- (b) Wednesday "Take Home" Includes: Breakfast and Lunch for Thursday

(2) "B Schedule" Students

- (a) Tuesday "Take Home" Includes: Breakfast and Lunch for Wednesday.
 - (b) Thursday "Take Home" - Breakfast and Lunch for Friday
- c) Friday Morning Delivery (All Students): Beginning Friday morning at 8:00 the district will do breakfast lunch deliveries via bus routes. This will take care of the following:

(1) "A Schedule Students: Breakfast and Lunch for Friday

(2) "B Schedule Students: Breakfast and Lunch for Monday

2. Full-Remote Learning - Food Service Schedule

- a) Parent Opt-In Full Remote Learning
 - (1) Parents/Guardians will be expected to pick-up lunch at the school district. More details will be provided to those individuals upon opt-in to Remote Learning
- b) School-Wide Remote Learning (**If it occurs**) lunch details for this delivery method are as follows:

(1) Monday Bus Route Delivery: Lunch for Monday and Tuesday; Breakfast for Tuesday and Wednesday

(2) Wednesday Bus Route Delivery: Lunch for Wednesday and Thursday; Breakfast for Thursday and Friday

(3) Friday Bus Route Delivery: Lunch for Friday; Breakfast for Monday

3. Traditional Learning Full Day (If Applicable at some point during this school year) - Food Service Schedule

a) Breakfast will be available at Zeigler-Royalton High School for students that choose to eat the school provided breakfast. Students will **NOT** be allowed to go to the Zeigler-Royalton Elementary/Jr. High for breakfast. Breakfast will be available to those students that choose to eat the school provided breakfast. Students will be expected to complete the “Breakfast Registration” form with the High School Office that is provided each morning to sign-up for breakfast the following day. Breakfast food will then be sent home with the student at the end of that day for the next day. (Example: Student A completes breakfast form on Monday morning. He/She will be given breakfast at the end of the day on Monday so that he/she can eat it at home the next morning). This will help with the morning procedures at ZRHS.

b) Lunch will be provided at Zeigler-Royalton High School for students in attendance that day. The district will be adhering to capacity limits and has alternative plans in place to ensure that students can eat in an adequate space. Students **MAY** be required to eat in the cafeteria, gymnasium, classroom, and outside (Weather Permitting) setting under the supervision of a staff member.

D. Technology

1. The district will work diligently to ensure that there is equitable access to technology and internet for the students within our district.

2. Beginning on July 22, 2020, parents will be allowed to register students online for the 2020-2021 School Year. This online registration is the general registration process that takes place each year with a few additional questions added.. Parents will indicate whether they will be attending in-person learning or remain home for all virtual learning. **Any family that chooses to enroll in the all virtual Remote Learning option will do so for the entire grading period or nine (9) weeks. Families will be allowed to change to in-person learning at the end of each nine (9) week period only.** In order for a family to enroll in the all virtual learning option, they will need to have an internet capable device for their student(s) to use. If the family does not have a device, one can be checked from the student’s home school as per our device distribution plan. The family must attend a meeting with the High School Principal to discuss the Remote Learning

Plan expectations and guidelines. The meeting will be setup after registration is completed and a representative from the school contacts the family for the meeting date and time.

3. **If the district provides a student/family with technology and/or connectivity device(s) those devices will then become the responsibility of that student/family. Students and families will be financially responsible for any technology or connectivity devices that are lost, damaged, or stolen throughout the school year.**

E. Social-Emotional Learning and Well-Being

1. SEL supports will be provided for our students and staff. A process to identify students and staff who may be experiencing stress or trauma related to COVID-19 will be developed. Other SEL supports will be developed to add supports to our students as needed. Weekly surveys will be conducted with our students to identify those in need of support.
2. The district and its support systems will continue to provide communications with staff to encourage health, wellness, and self-care.

F. Transportation: Transportation has developed several safety protocols to keep our staff and students safe during the COVID-19 pandemic.

1. School Bus Temperature or Self-Certification Checks

- a) Bus drivers and/or school staff will be conducting temperature and/or self-certification checks for each student prior to the student being allowed on the bus. If a student or the student's parent/guardian answers "Yes" to any of the questions regarding the student or the student has a temperature above 100.4 degrees then he or she will **NOT** be allowed to enter the bus that day.
- b) It is required that parents/guardians supervise their child and do not leave the pick-up area until self-certification has been completed and the child has been permitted to board the bus.

(1) NOTE: If the child exhibits a temperature that is in alignment with the CDC guidelines of having a fever (100.4) the child will not be allowed at school and will not be the responsibility of the school district. If the child answers "Yes" to any of the Self-Certification questions the child will not be allowed at school and will not be the responsibility of the school district.

2. School Bus Sanitation

- a) The transportation sanitation plan will include daily disinfection of our facilities and school bus fleet. Our facilities will be cleaned daily with emphasis on high touch surfaces and restrooms. Schools buses will be

disinfected daily at the end of routes and allowed to sit overnight for maximum disinfectant dwell time

3. Social-Distancing During Transportation

- a) Following the CDC guidelines, school buses should be allowed to have no more than 50 students on board. As a result of these guidelines designed to protect students and staff from the spread of COVID-19, the capacity on our school buses may be reduced.

4. Student Arrival at Zeigler-Royalton High School

- a) Students that are riding the bus, will enter the building at the North Entrance by faculty parking. These students have already been monitored for entry while on the bus and will not need to be checked again. Bus riding students will **not** be allowed to enter any other doors.
- b) Students being dropped off by parent/guardian, or driving themself to school will all be required to enter the building at the Main Office Entrance on the east side of the building. Drop-Off students need to be dropped off on the north end of the building. This process differs from previous years, but students will **not** be allowed to enter the building at the south entrance. Appropriate social-distancing markings will be located outside to help students and visitors follow the guidelines

5. High School Student Sibling Drop-Off at Elementary/Jr. High

- a) We understand that some high schools students will be in charge of dropping off their younger siblings at the Elementary/Jr. High building. We ask that those students walk their sibling to the Elementary/Jr. High assigned entrance for drop-off and then proceed back to the high school for entrance at the Main Office Entrance.

G. Lockers

1. **At this current time**, students will not be permitted to use lockers during the 2020-2021 school year. Students and parents/guardians are encouraged to purchase a backpack that the student may carry to the classroom with his/her books throughout the day.

H. Hallways

1. Hallways will continue to be utilized as two-way hallways. However, social-distancing will be encouraged and practiced to the greatest extent possible

I. Transition Times

1. Reminder: Students will not be permitted to use lockers
2. Transition times (Bell Dismissals) will be altered this school year to help the school following IDPH and ISBE guidelines. Guidelines and procedures will be as follows:
 - a) End-Of-Period Bell
 - (1) Dismissal of Sophomore and Senior students into hallways to report to their next class. Students should enter the next classroom quietly and appropriately unless otherwise directed by the classroom teacher
 - b) 3 Minute / Tardy Bell
 - (1) Dismissal of Freshman and Junior students into hallways to report to their next class. Students should enter the next classroom quietly and appropriately unless otherwise directed by the classroom teacher
3. This process will take patience and students will need to adhere to guidelines laid out by the teachers in each classroom in regards to entering and exiting at the appropriate time.

J. Restroom Procedures

1. Use of restrooms will be permitted, but procedures will be in place to promote social-distancing in restrooms. These procedures include, but are not limited to:
 - a) Use of every other stall and urinal
 - b) Restrooms will have a capacity limit

K. Water Fountains

1. Use of water fountains will not be permitted.
2. Students are encouraged to bring reusable water bottles to carry with them. Classroom teachers will provide guidance, rules, and limitations regarding use of water bottles on an individual classroom basis

L. SchoolInsight/TeacherEase and School Registration

1. Beginning on July 23, 2020, Online Registration will open up for the 2020-2021 school year. Families will have the ability to update their address, contact information and any other relevant information using online registration. Families who do not have the appropriate internet access or a device to update their address using the online registration can come to the administration building to register. Please understand that appropriate IDPH and ISBE measures and

guidelines will be in place if you come to the school to register (Facemask Requirement, Social-Distancing, etc.)

M. Communication to the School Community

1. The purpose of our communication plan is to keep families and stakeholders informed of the current phase of the Restore Illinois Plan and how that relates to the return to school in the fall. Communication may occur via the following methods:
 - a) Press-Release(s) & Interviews
 - b) Weekly Social-Media Announcements
 - c) Email Announcements
 - d) All-Call/Text Messages
 - e) School Website
 - f) School-Insight Announcements

V. FACILITIES

- A. All custodial/maintenance staff will be trained on the return to school guidelines, where applicable. These procedures will include extra sanitation efforts using certified EPA products in both low/high contact areas including:
 1. Desktops
 2. Door Handles
 3. Countertops
 4. Handrails
 5. Light Switches
 6. Drinking Fountains
 7. Restroom Fixtures
- B. Building custodians and cleaning personnel will conduct daily cleaning and disinfection. An EPA approved cleaner will be used for disinfection along with our standard cleaning protocols. All frequently touched surfaces (e.g., door handles/knobs, desktops/tabletops, countertops, light switches, pencil sharpeners, computer keyboards, hands-on learning items, phones, toys, cubbies/coat and backpack areas, sinks and faucets) will be cleaned on a regular basis. Restrooms, hallways, cafeterias, and common areas will be cleaned throughout the day. Soft surfaces such as carpets and rugs will be disinfected daily. Items such as cloth toys or other cloth material items that cannot be disinfected should not be used.

- C. On Fridays, a detailed sanitation will occur throughout the facility with extensive deep cleaning of restrooms and other common areas. Cleaning and buffing of areas, ground operations and ROE compliance duties will be occurring on those all virtual learning days. Fridays create an opportunity for staff training and updates. Our custodial staff will support food service operations with trash collecting and cleaning after in-classroom meal consumption.
- D. Signage for handwashing, social distancing and face coverings will be made available through request from the print shop. Social distancing markings within classrooms will be done by designated building personnel.
